# About Us

**Boca Raton** magazine has been in business for more than 46 years and is the leading publication serving affluent Boca Raton residents and surrounding areas.

We were the first—and remain the only—affluent lifestyle magazine that is audited and has paid subscribers.

We have award-winning editorial that captures the dynamics of our community, and the art and culture that defines our lifestyle.

In addition to *Boca Raton* magazine, we also publish *Delray* magazine and 1926, the official magazine of The Boca Raton, formerly the Boca Raton Resort & Club, that is placed in all the guest rooms and suites of the hotel and replenished all year long. 1926 is directly mailed to private club members, selected hotel guests and potential members.

Additionally, we publish the *Worth Avenue* magazine and the *Boca Raton* Chamber magazine annually.

We offer an array of digital platforms, that include eblasts, web advertisements, native blogs, social media posts, and Boca Mag's podcast. We host or sponsor many beloved community events throughout the year, and we are the preferred partner with many affluent charitable organizations and causes.

We offer custom publishing from small catalogs to beautiful luxurious publications. Previous clients include the City of Boca Raton.

“Wish & Shoes has had an ongoing partnership with Boca magazine for several years. We run full-page ads in each issue. The service that the staff provides has been great. **The rates are very reasonable, considering the magazine's reach, and the results have been terrific.** When customers walk into the store with the ad in hand, or we receive a phone call or an email inquiring about a particular item featured in the most recent issue, we know it's working. These are advertising dollars well spent. We look forward to many more years' advertising in Boca magazine.

**PETER MASTRORIO**

“As a business owner you always have to make the wisest and most prudent decisions for your business. Marketing and advertising are some of the most challenging categories of them all, as it's extremely hard to gauge the correct budget and your ROI. Over the past two decades I have invested millions of dollars out of pocket to promote our business. **I'm happy to say that Boca Raton magazine is working for me!** The ownership and the entire team is a true pleasure to work with. “As a Realtor, you are approached by a constant barrage of companies in which to advertise. When I was new to the Boca Raton area, I tried all kinds of methods to get my name and qualifications in front of potential clients. I chose a number of outlets and tracked my ROI. Hands down the exposure I received through Boca magazine brands has been the best return on investment, and it keeps on giving. I have received multiple direct calls from buyers and sellers, as well as name and face recognition. They make everything from the photoshoot to the feature article easy. The online presence helps lend weight to my existing online branding, and the print magazines are picked up by potential clients all over town. My account executive is very knowledgeable, and keeps me informed about upcoming opportunities that suit my line of work. I highly recommend advertising through one of the Boca magazine brands (Boca Raton, Delray Beach, Worth Avenue, Boca Chamber Annual & 1926).
